IMPORTANT NOTICE FOR WASHINGTON STATE RESIDENTS

Due to state regulations, nonprofit organizations are not permitted to offer promotional contests or sweepstakes as commonly advertised. Washington law allows only two types of prize drawings: Raffles, which may only be conducted by qualified nonprofits and require a ticket purchase with no

free method of entry, and Promotional contests, which are limited to businesses and must offer a free way to participate. Because nonprofits like ours are not eligible to run promotional contests, we are unable to extend sweepstakes-style offers in Washington State. If you would like to see this law changed to allow nonprofit organizations to run sweepstakes promotions with free entry options – just as businesses can – we encourage you to contact your state legislators. For more information, visit the Washington State Gambling Commission's FAQ: <https://wsgc.wa.gov/sweepstakes-faq>
